

Seminar „Self-Help books 1-3“ 17 - 21 August 2020, Hertenstein

A course covering all the self-help books in just 5 days is both a rare event and a great opportunity to explore the art of Jin Shin Jyutsu.

I have invited Sara Harper from Tucson/Arizona as our course instructor. Sara is a recognized JSJ instructor who also gives „Living the art“ workshops. She teaches both beginners and professionals. While still a teenager, Sara received treatment from Mary Burmeister, so that she actually grew into the art of Jin Shin Jyutsu. This deep understanding and knowledge is what you feel in her classes. Why not benefit from this unique opportunity to learn from her, as she rarely teaches in Europe? The class language is English with translation into German.

Fee: CHF 800.-, plus 50.- for the self-help books, if required.

Please sign up by April 1, if possible.

Short term cancelations can entail costs of 50-100% of the tuition fee.
